LEADERSHIP & MANDATES

Founded Organisations

[2017 - 2018]

Ghent Model United Nations

Organisation for the training of young diplomats and management of the [GhentMUN](#) conference (a [simulation](#) of the United Nations), taking place every year in cooperation with Ghent University. Co-founded the project and became its first [Director-General](#).

[2014 - 2016]

Deduction

Organisation aiming at evidence-based integration of motivational psychology in an innovative and cooperative learning platform for university students. The organisation also provides training and workshops to students, aiming to boost intrinsic motivation towards studying. Co-founded the project in 2014 and became its first President. In 2016, we restructured the project and gave Deduction in the hands of a newly established Board of Directors.
